

# Zühlke Graduate Recruitment Scheme

Zühlke is a leading technology and consulting company providing bespoke software solutions and product innovation. We advise, develop and integrate to efficiently deliver solutions of the highest quality. Over the past 40 years we have built an enviable track record and are now an internationally renowned solutions provider with development centres in Bern, Frankfurt, Hannover, London, Munich and Zurich.

Our London centre operates primarily in the Investment Banking and Mobile Telecoms sectors and is currently looking to recruit a number of 2008 graduates.

Successful candidates can look forward to:

- Ongoing training (approximately 10 % of working time and a cash budget of GBP 2000) to further develop your technical and consulting skills
- A dedicated mentor to guide, advise and assist you on project based assignments
- A clearly defined achievement based career path
- An ethical, trust based culture
- Working alongside some of the most technically gifted people in the industry
- Varied and challenging assignments
- Opportunity to work on overseas assignments (language skills permitting)
- High starting salary + bonuses
- Comprehensive benefits package

To qualify you will need:

- a good computing related degree
- a passion for technology
- a flair for programming in one or more languages
- an inquisitive and innovative nature
- good interpersonal skills
- the ability and drive to work to tight deadlines
