

## How to find us

### Travel by car from southwest (Zürich, Lindau or Garmisch):

- Take the left lane at the end of motorway A96 or 95 and follow the sign „Mittlerer Ring“ towards motorway Nürnberg.
- Directly after the tunnel (on the Donnersberger Bridge) take the rightmost lane.
- This lane leads you after the traffic light directly to the Landshuter Allee.

### Travel by car from north (Nürnberg):

- At the end of interstate A9 take the right lane towards motorway Garmisch/Lindau and drive to “Mittlerer Ring, Schenkendorfstraße”.
- Beneath the olympic stadium (after the tunnel) take the right lane and drive in a left turn over the bridge towards motorway Lindau.
- The bridge ends into the Landshuter Allee.

### Travel by car from other directions:

- The west part of the “Mittlerer Ring” in Munich – northern of the Donnersberger Bridge – is the Landshuter Allee.

### Parking:

- Streets in the straight neighbourhood.

### Travel by public transport from other directions:

- From airport Munich: All airport suburban trains (S1 oder S8), stop at „Donnersberger Brücke“, takes about 45 minutes.
- From central station Munich: all suburban trains (S1, S2, S3, S4, S5, S6, S7, S8 und S27 in westward direction), stop at „Donnersberger Brücke“ (exit 2. station).
- U1 direction „Olympia-Einkaufszentrum“, stop at „Rotkreuzplatz“ (exit 3. station).
- Cable cars Line 16 (direction „Romanplatz“) or Line 17 (direction „Amalienburgstraße“), the cable car drives along the Arnulfstraße, stop at „Donnersbergerstraße“, (exit 5. station).
