

# Guidelines f. Academy course participants

Zühlke adheres to the applicable hygiene and social distancing rules of the local authorities.

- 1 Please maintain a **distance of at least 1.5 metres** from others and do not shake hands.
- 2 On Zühlke premises, **masks are compulsory** while walking around and whenever the distance of 1.5 metres from others cannot be maintained.
- 3 A **Covid certificate** is required within Zühlke Switzerland for all public Academy courses.
- 4 If you do not feel well or have **symptoms of illness** of any kind, please re-schedule your course visit.
- 5 If you have travelled abroad within the last 10 days, or have had contact with a person who tested positive or a person with symptoms of illness, please check if the local authorities require you to follow **quarantine regulations** and, if applicable, re-schedule your course visit.
- 6 We kindly ask you to provide us your contact data and inform us immediately if you are **tested positive for Covid-19** within 10 days after your visit. In turn, we will inform you immediately if one of your contact persons tests positive.
